

Finest Craftsmanship

Excellent Relationships

On-time Delivery

Position: Architectural Woodworking Draftsman

Type: CAD Draftsman

Company Information:

Cohen Architectural Woodworking is a nationwide, family-run business that has rooted itself in the pursuit of excellence in workmanship and relationships. Our mission is to make life more beautiful with the finest craftsmanship, excellent relationships with every one we meet, and on-time deliveries. We have been in business for 35 years and have won many prestigious awards. In 2007 we were named the second fastest growing cabinet manufacturer in the United States, and in 2009 we were number one.

We're located in a commercial industrial park along Interstate 44 in a beautiful semi-rural area of central Missouri, where life is good, the cost of living is inexpensive, and most everything you need is relatively nearby.

Job Summary:

The current position is for an Architectural Draftsman who can produce detailed and accurate drawings for architect's approval and production of custom cabinets. The ideal candidate is self motivated, detail oriented, and works well under pressure and tight deadlines.
