

Finest Craftsmanship

Excellent Relationships

On-time Delivery

Position: Architectural Woodworking Estimator

Type: Estimator

Company Information:

Cohen Architectural Woodworking is a nationwide, family-run business that has rooted itself in the pursuit of excellence in workmanship and relationships. Our mission is to make life more beautiful with the finest craftsmanship, excellent relationships with every one we meet, and on-time deliveries. We have been in business for 35 years and have won many prestigious awards. In 2007 we were named the second fastest growing cabinet manufacturer in the United States, and in 2009 we were number one.
